

New Technology Showcase from Yamaha

Yamaha Professional Audio invites join their livestream on Facebook Live on Thursday April 22nd at 10.00 UTC+1 for a special New Technology Showcase event. This will include a major update on our immersive audio solutions and more.

2020 was one of the most difficult years for the pro audio industry, but Yamaha is committed to investing in the recovery of the market. The New Technology Showcase will include several sessions, each showing the latest audio technologies that Yamaha is working on.

You can attend the New Technology Showcase [here](#).
