

SHOWTECH 2025 Ticketshop is Open

From May 20 to 22, 2025, SHOWTECH 2025 will open its doors in the ARENA Berlin, one of the capital's most impressive locations directly on the banks of the river Spree. On over 6,500 square meters of exhibition space, professionals from the many different disciplines of theater and event technology can look forward to a varied program of trade fair, congress and networking. Tickets for SHOWTECH 2025 can now be ordered. Secure your place and experience the latest trends and innovations of the industry live on site.

This year's SHOWTECH will take place in the historic ARENA Berlin for the first time. Built in 1927, the hall impresses with its unique architecture and offers an inspiring atmosphere for exhibitors and visitors with its location directly on the banks of the river Spree. Further details about the location can be found on the website below.

Alongside the trade fair, the SHOWTECH Congress will take place on May 21 and 22, 2025 in the Glashaus at ARENA Berlin. Under the motto "Tech & Art - Crafting the New Theater Experience", participants can expect an extensive program with presentations, workshops and roundtable discussions on topics such as

- Visionary theater buildings
- New technologies in lighting and sound engineering
- Artificial intelligence and automation
- Sustainability and energy efficiency
- Virtual and augmented reality (VR & AR)
- Synergies between art and technology

Take the opportunity to share ideas with international experts and benefit from valuable insights into the future of theater technology.

In addition to the trade fair and congress, SHOWTECH 2025 offers many other highlights:

- Innovation Stage: Exhibitors present their newest products and solutions live in the exhibition hall.
- Immersive Showroom: Experience realized and planned projects from the world of theater at the interface connecting the analog and digital worlds.
- SoundLab: A special room for precise audio technology experiences and the opportunity to share practical solutions.
- Round tables: Specialist groups debate current challenges and opportunities for the industry.
- SHOWTECH Night: On May 21 starting at 6 p.m., the legendary networking party includes a summery open-air program with beach club flair at the bathing ship and a great party atmosphere in the ARENA Club.

Would you like to present your products or services to an international trade audience? There are still a few stand spaces available. Benefit from our full-service package, which covers everything from stand construction to marketing. You can find all information about participating at the website below. The first program highlights will be published shortly.

SHOWTECH is organized by the Deutsche Theatertechnische Gesellschaft (DTHG) and takes place every two years in Berlin. It is the international trade fair for theater, stage and event technology and offers a unique platform for the dialog between professionals, manufacturers and artists.
