

Austrian Audio wins EISA Awards

Austrian Audio announces that The Composer has won Best High-End Headphones in this year's EISA (Expert Imaging and Sound Association) Awards. The award is Austrian Audio's first recognition by the respected, long-standing association of consumer technology experts and is a ringing endorsement that marks the brand's rapid ascent in the market. Established in 1995 and consisting of a community representing respected publications, organizations, and commentators from over 30 countries, the EISA Awards are a yearly celebration of innovation and excellence in the consumer technology industry.

"It is an honor to receive this award from EISA and our distinguished colleagues in

the industry,” said Austrian Audio CEO Martin Seidl. “To be recognized for our first Hi-Fi product in its first year on the market is an incredible affirmation of our rising status in the pro audio market and to the skill and dedication of our design and production teams here in Vienna. We’re incredibly proud of The Composer and thankful for the industry and customer recognition that our young company has received for it.”

Initially launched at the tail end of 2023, The Composer is a set of premium quality reference headphones designed for creative professionals and discerning music connoisseurs alike. Utilizing Austrian Audio’s peerless 49mm Hi-X Driver Design, The Composer offers an enveloping, full-frequency listening experience with rich, natural sound equally suitable for professional and personal use. The headphones are made in Austria using the highest quality components for a lifetime of peerless listening and enjoyment, and precisely crafted for an effortlessly comfortable fit.
