

Best Service Epic World

With Epic World - Cinematic Landscapes by Eduardo Tarilonte, Best Service present an exceptional sample library full of unique sounds. Whether inspiring Drones, complex Pads, or cinematic Soundscapes, these sounds touch and transport you to fantastic worlds. The magical atmospheres and versatile acoustic instruments are perfect for adding emotional depth and breadth to tracks. Whether epic film scores, relaxing chillout tracks, or innovative electronic beats, Epic World delivers everything for extraordinary sound designs.

Epic World runs on Engine Player and offers powerful performance along with outstanding timestretching. This library includes over 350 carefully crafted instruments and more than 1,000 loops, providing a broad range of sounds for creative exploration.
