

IK Multimedia TONEX ONE Joe Satriani

IK Multimedia announces Joe Satriani's limited-edition TONEX ONE. Handmade in Italy in a custom chrome finish, this pedal comes preloaded with 20 presets created by Joe. These exclusive presets feature Tone Models from his Amp Vault Signature Collection, which is also included (a \$99.99 value) for use with TONEX software or TONEX pedals. "The TONEX ONE roars and shimmers just like its full-size big brother, the mighty TONEX Pedal. You can use it as a standalone amp, a recording interface, or even a headphone practice amp. And it looks amazing!" - Joe Satriani

Signature Sound in a Mini Pedal

- Custom limited-edition chrome finish made in Italy
- Preloaded with 20 presets created by Joe from his exclusive TONEX Signature Collection

IK Multimedia announces TONEX ONE Joe Satriani

Wednesday, 22 January 2025 19:39

- TRS output: Stereo, dual mono or headphones
- USB-C connection for loading Tone Models and computer recording
- Includes TONEX SE software all-in-one player, modeler and librarian, plus AmpliTube 5 SE software

Exclusively with TONEX ONE Joe Satriani, users will immediately experience 20 presets custom-designed by the man himself. All presets feature Tone Models from Joe's TONEX Amp Vault collection, plus the new TONEX FX blocks to recreate his essential tones in one compact pedal. The preloaded tones range from the early years to new sounds featuring his latest Signature 3rd Power Dragon Amplifier. The presents are inspired by and named after classic songs, including "Time Machine," "The Extremist," "Summer Song," "Ice 9," "Crush of Love," "Love Thing," and many more.

This limited-edition pedal includes instant access to Joe's Amp Vault Signature Collection for TONEX, featuring 28 amplifiers from his private collection. Joe handpicked each amplifier, dialed in his favorite settings and captured them using IK's Advanced AI Machine Modeling at Sammy Hagar's Red Rocker Studios. The 67 Tone Models result from Joe's relentless pursuit of great tone and commitment to capturing his favorite amps precisely. Users already owning the Amp Vault Signature Collection are eligible for \$/€50 off the pedal.

TONEX ONE Joe Satriani is the perfect gateway to the TONEX Ecosystem and comes at the right time. Owners will enjoy all benefits of the latest TONEX developments,

including the new TONEX FX and over 40,000 available Tone Models on ToneNET ready to explore and transfer to the pedal or use with the included TONEX software. For those seeking the best amplification possible, the new TONEX Cab delivers unmatched realism to TONEX Tone Models and pairs perfectly with TONEX ONE or TONEX Pedal.

TONEX ONE Joe Satriani is available now for pre-order from the IK online store and IK dealers worldwide each. Units will ship in February. TONEX Joe Satriani Amp Vault or AmpliTube Joe Satriani owners are eligible for a special price off during pre-order.
